RE: Letter of Support for Cajun Navy Ground Force

To Whom It May Concern:

Please accept this letter of recommendation as a formal statement for the Cajun Navy Ground Force. The Freedom Tour has had the distinct opportunity to work with this organization, specifically with Hurricane Ian disaster relief. The Cajun Navy Ground Force has a strong sense of direction, organization, and commitment to providing relief services for those in crisis. We were able to coordinate efforts and provide relief for several months in the South Florida area, to the tune of 5 million pounds of product.

We are convinced that they are a worthy cause and have a strong track record of service for those in need and would make an excellent addition to the FL VOAD team.

Should you need further information regarding our support of the Cajun Navy Ground Force, please reach out to Bobby Williams at bobbyw@thefreedomtour.org.

Warm regards,

Bobby Williams
President
